Prop Valuation and Loss of Use Issues

ISS's is renting the production equipment (the "Props") identified in this Rental Sheet to you for your sole and exclusive use (the "Services"). Your use of our Services is subject to our Terms and Conditions (the "T&Cs") which you agreed to when you set up your account with ISS. By accessing or using our Services, you are agreeing to the T&Cs. If you do not agree to our T&Cs, you may not use the Services. 3% credit card acceptance fee will apply to orders if paying by credit card. Due to the nature of the Props you are renting from Independent Studio Services and its subsidiary and related companies, there are inherent issues in the event of loss or damage to the Props. The purchase and ownership of many, if not all, of the Props you are renting are regulated by Federal and State law. Because of this, the Props can take several years to replace, if necessary, depending on the number and type of props that are repaired/replaced. In some cases, the Props may not be able to be replaced due to current regulations.

You are responsible for all loss, damage or destruction of the Props, including but not limited to losses while in transit, while loading and unloading, while at any and all locations, while in storage and while on your premises, and due to government action and/or seizure. You are also responsible for loss of use and you shall fully compensate us for the loss of use of the Props during the time they are being repaired or replaced, as applicable. You understand that the loss of use on a Prop could far exceed the replacement value of the Prop due to the time it could take to replace the Prop. In the event of a loss where the Prop cannot be replaced, you will be responsible to Us for the replacement value of the Prop plus the loss of use during the time that a reasonably similar Prop is being procured.

Notwithstanding anything to the contrary contained in this Addendum, the fact that a loss may not be covered by insurance provided by you or, if covered, is subject to deductibles, retentions, conditions or limitations shall not affect your liability for any loss.

Weapons and other Hazardous Items

In regards to the rental/lease/purchase of weapons, blank ammunition, non-guns, and other hazardous items, including, but not limited to, retracting blade knives and syringes ("Weapons"), you acknowledge that the activities surrounding their use are inherently hazardous and you assume any and all risks associated with their use including, but not limited to, injury or death to yourself or others. You warrant that all persons using/operating the Weapons will be experienced in their handling and qualified to operate them. You will take all precautions necessary to protect your employees, agents, contractors and the public from any and all losses. You understand that most insurance policies exclude coverage for losses arising from the use of Weapons and you warrant that you have contacted your insurance carrier to discuss your use of the Weapons and have had any related insurance policy exclusions removed/waived for the purposes of this agreement and the usage of Weapons.

Any and all persons operating the Weapons shall be duly experienced, trained and qualified to operate Weapons of this type. Although we may, from time to time, recommend certain qualified persons with whom we are familiar, we do not supply Weapons operators. You must supply and employ any person who handles the Weapons and that person shall be deemed to be your employee and acting under your supervision or control for all purposes and shall be covered as an insured on all of your applicable insurance policies.

If any action is brought to enforce the terms and provisions of this agreement, the prevailing party shall be entitled to attorney's fees and costs of sum. This agreement is not subject to cancellation or
